

AGRIVOLTAICS
INDUSTRY FORUM EUROPE 2025
October 21-22, Milan, Italy

PROGRAM

OCTOBER 21-22, 2025

TUESDAY, OCTOBER 21, 2025

09:00am-10:00am	Registration & Welcome Coffee	
10:00am-12:00pm	Agrivoltaics as Trailblazer: The Solution for Battling Climate Change, Food Scarceness and Water Issues. Its Progress in the Context of Regulations, Politics and Finances. The need for and success of agrivoltaics are clear. Implementation, however, is still lagging behind. We reflect on the progress of agrivoltaics in Europe and Italy.	Magnolia
	Show & Tell: Sponsor Presentations on Stage & Walk Through the Exhibition Stands	Magnolia
12:00pm-01:30pm	Networking Lunch	
01:30pm-03:00pm	Regulations' Impact on Realizing Agrivoltaics Projects in Europe Magnolia	It's All About Money! Faggio
	Interactive deep-dive into current regulations within European member states and how these directly influence projects.	Let's talk about all the nitty-gritty monetary aspects of agrivoltaics projects: These critical factors influence investment decisions.
03:00pm-03:45pm	Snack & Chat	
03:45pm-05:15pm	Farmers' and Farming Associations' Takes on Agrivoltaics Projects Magnolia	Risk Assessment and Insurance Faggio
	Let's hear from the people working the land and their representatives: What implementations were successful, and which were not? For what reasons? What are the main limitations and hurdles in implementing agrivoltaics? How could we improve together?	How to calculate for risk? How to insure one's projects? How to account for storage as a new project component?
05:15pm-05:45pm	Snack & Chat	
05:45pm-06:30pm	Farm to Fork How does agrivoltaics support the Farm to Fork concept?	Magnolia
06:30pm-09:30pm	Networking Dinner	

WEDNESDAY, OCTOBER 22, 2025

08:30am-09:30am	Registration & Welcome Coffee	
09:30am-10:45am	Wake Up, It's Time for the Future of Agrivoltaics Startup pitches, innovations, and visionary ideas.	Magnolia
	Show & Tell: Sponsor Presentations on Stage & Walk Through the Exhibition Stands	Magnolia
