

SPONSORSHIP AGREEMENT

OCTOBER 21-22, 2025

Become a Sponsor of the AgriVoltaics Industry Forum Europe 2025

The AgriVoltaics Industry Forum Europe combines practical insights and great knowledge sharing for both the solar and the agricultural industries with networking and business opportunities.

Italy is one of Europe's leading agrivoltaics industries, as well as one of the most interesting ones in 2025 with several new projects to be confirmed and their construction begun. The AgriVoltaics Industry Forum Europe 2025 thus is the must-attend event for business leaders and experts from PV and agriculture striving to implement innovative and forward-looking ideas!

Our event attendees are:

- Finance and investment experts
- EPC companies, asset owners and renewable energy producers
- (organic) farming associations and agricultural representatives
- PV module, mounting system and tracker manufacturers
- Agricultural machinery equipment providers and seed producers
- Agricultural federations
- Policy representatives
- Media

Join us in Milan to unlock the potential and explore the numerous opportunities that agrivoltaics offers us to create a more sustainable future!
